

The Retreat by Zuri, Goa

The Retreat By Zuri, Goa is conceptualized and designed to give guests a feel of Portuguese village life. Reminiscent of the Portuguese Architecture in Goa, the design is replete with Portuguese design idioms. Guest rooms are planned around the courts. Inward looking these rooms are placed in different levels to give a feel of village staggered and random in nature. Each courtyard has a character of its own, completed with fountains, cobblestones, lawns, parterres and topiary well maintained and manicured.
