

The charm of Italy in Bangalore!

Bangalore's crème de la crème were in full strength at Zuri on Thursday night. This night was dedicated to the launch of the Italian restaurant, Incanto. Hosted by none other than Sheetal Sharma, the evening was full of pep and pizzazz and was enhanced by Avril Quadros, who enthralled one and all with her sensuous voice during the party. The event marked the beginning of a culinary experience with the Chef Giovanni. This restaurant will surely please the hoi-polloi of the city, those who understand the taste of Italy and hospitality of Zuri.
