**LAUNCH OF A NEW MENU**

**THURSDAY, APRIL 7**

**INCANTO, ZURI**

ZURI announced the launch of an invigorating new menu at the Incanto. The restaurant is now bringing in new flavours from Sicily. Leading the team will be Italian Chef Giovanni who joins Zuri as the specialty Italian chef. An enchanting evening organised by fashion choreographer Sheetal Sharma saw Aarti Sud, singer Avril, Kalpana, Minku and expats like Barry, Marie, Magda join in to celebrate the occasion. Giovanni's delicacies showcased the brilliance of fresh sea food, a variety of meats and other exquisite, succulent accomplishments. His signature rich dish — *Eggplants Parmigiana* was well appreciated by the crowd!

The guests enjoyed a few tips from Zuri's very own celebrated wine sommelier, Khuselo Mputo who helped in pairing wines with the dishes they had ordered.
